#### WE ARE COMMITTED TO ASSISTING YOU IN BUILDING A STRONGER MARRIAGE. OUR CHALLENGE IS FOR EACH COUPLE TO SCHEDULE ONE DATE NIGHT EACH WEEK BEGINNING WITH VALENTINE'S DAY.

Hi everyone!

In these past few months, one thing we can all agree on is that it has been crazy! Even during the best of times, Valentine's Day can feel a little...cliché. Pressure to plan something that will be appreciated, while navigating the ongoing COVID-19 pandemic has added another layer of difficulty. While we may be spending more time together, are we really connecting?

Our marriages are the most important relationship we have outside of Christ, yet often they do not get the attention they require to thrive. With that in mind, we are challenging everyone to be intentional about their marriages by scheduling quality time together in the form of a weekly date night. Our goal is to provide the support, you provide the time! Working together our marriages will become more fruitful and blessed!

Are you up to the challenge?

"And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the Day approaching." ~ Hebrews 10:24-25

#### VALENTINE

#### WHAT'S INSIDE:

To help provide you with some fun and meaningful time together we've collected some suggested activities, questions, games, and recommendations to help make your Valentine's Day more memorable. Feel free to pick out the sections that work best for you or take up the challenge to do them all. You can even spread out the Digital Date Night packet over several nights.

CHALLENGE

#### **GROUND RULES:**

- Take a break from talking about the usual suspects money, kids, in-laws. This is not a time to take care
  of checklists, this is time to build your relationship.
- As much as humanly possible, stay off of technology (other than the content provided here of course). Only text or take a call if it is an emergency. Everyone and everything will be okay.
- In many relationships, there is a talker and a non-talker. If you are married to a non-talker, when he/she talks tonight, they might not do it as well as you. So believe the best in them as they find the words. Work to hear your partner not just respond to what your spouse is trying to communicate. Look for opportunities to ask questions to clarify rather than react.

# **NEWLYWED GAME**

#### "Your beauty and love chase after me everyday of my life." ~ Psalm 23:6 MSG

Did you ever watch the Newlywed Game on TV? Not only can this be a fun game to play in front of others, but it can also be a meaningful time of discover between just the two of you. No matter how long you and your partner have been together, never stop learning about them. If you have kids at home, it can be fun to share these answers with them as well later.

#### **HOW TO PLAY**

Print out the following questions in advance. Choose to either go off to separate locations for about 5-10 min or sit in chairs back to back. Once you've both had time to record your best answers; join back together or turn your chairs around and compare answers.

Each person will need this sheet for answers, a pen, and possibly two chairs if needed. Answer each and every question at the same time your partner does (remember you are trying to guess what you think they will say). You can also take turns for each sections comparing answers before separating again to fill out the next section just to mix it up a little.

### FAMILY FRIENDLY ROMANTIC MOVIES

With so many streaming platforms available it is only natural to start looking for virtuous romance movies for Valentine's Day! For this reason, Sonoma Christian Home has put together a list of five of our favorite romance movies, each one perfect for the occasion. These movies range from new to old, and comedy to drama, but they all hold one thing in common: they bring us back to the perfect example of love: Jesus!

#### You Tube RENTAL FIREPROOF— NEVER LEAVE YOUR PARTNER BEHIND VUDU

Ν

Е

Caleb Holt is a firefighter, but his marriage is anything but fireproof. In the years since their marriage, he and his wife have grown distant from each other. Only when Catherine threatens to leave him does he realize how much he's failed as a husband. Prompted by his father, who had a similar experience, Caleb takes a challenge: The Love Dare\*. Half-way through, he realizes what's really missing from their marriage: Jesus.

Fireproof is timeless. It's a story of discovering true love and reigniting it. Splashed with plenty of comic relief, and an engaging plot, this movie can really, and has really, changed lives. There's nothing not to like about this movie! If you're in for a classic romance with plenty of humor, action, and love, this one is for you!

#### VUDU OLD FASHIONED – CHIVALRY MAKES A COMEBACK tube Roku

What ever happened to chivalry? Clay Walsh has left his past life behind, and now lives in a small college town. There, he becomes notorious for his uncanny, and especially outdated, theories about love and romance, as well as a visible love for God. Then Amber Hewson shows up – a restless and beautiful young woman who has her own ideas on what romance should look like. As they are undeniably attracted to each other, they attempt to do the impossible: pursue an old fashioned and God-honoring relationship in 21st century America!

Released in 2015, Old Fashioned has been a positive force in a world where mainstream media is drenched in sensuality. The film takes us back to what some may consider to be an "old fashioned" courtship, at the same time revealing what a pure and holy relationship can really look like. Old Fashioned is a sweet, compelling film that serves as a breath of fresh air for many.

# PRINCESS CUT – TRUE LOVE IS WORTH THE WAIT

Grace Anderson dreams of the day when the perfect man will slip a diamond ring on her finger and devote his life and love to her forever. However, things haven't been going exactly as she planned. When her boyfriend rejects her in a bizarre turn of events, Grace is left wondering what true love really is, and if she will ever find it. Soon she meets someone else, but he clearly has different standards for their relationship. Knowing there is more to dating than what she's experienced, Grace embarks on a journey, with the help of her caring father, to discover the power of true, Christ-centered love in their rural Carolina town.

Princess Cut is a light, yet daring, little film. It reveals many of the common failures in romantic relationships but also sets a standard. It shows how much a relationship can thrive when it's honest, intentional, and faithful.

unfolds, she discovers the awful plotting of Haman, the vizier in the king's palace. Ultimately, she has to make a decision: to ignore the cry of her people and potentially save herself, or take the bold step of letting God use her in order to save her people from destruction. The scope and scale of this movie conveys the importance of her role as queen, as well as focusing on the tender romance between King Xerxes and Esther.

If you like the story of Esther in the Bible, you will love this movie! While the director does take some artistic license with the film, the message is not lost. This movie is ideal for a romantic movie night!

#### I STILL BELIEVE – LOVE AND FAITH ARE TESTED **NUT VUDU COM RENTAL**

The true-life story of American contemporary Christian music singer-songwriter Jeremy Camp and his first wife, Melissa Lynn Henning-Camp, who was diagnosed with ovarian cancer shortly before they married. Camp's song "I Still Believe" is the film's namesake.

If you're in the market for role models, look no further: This couple is as wholesome as they come (the only villain here is cancer). They don't even kiss until they first say "I love you." In fact, their love is so idealistic that the only potential concern is that it might set up unrealistic expectations for kids. While iffy content is minimal and positive faith-based messages/themes abound -- including the value of communication, courage, gratitude, and humility.

There you have it! We truly hope you will enjoy these films, and cherish them as much as we do! Perhaps even more importantly, we hope they will serve as a reminder of the source of our love as Christians. After all, God loved us even before we were born! With that in mind, have a happy Valentine's Day! Please keep in mind that with streaming platforms always adjusting their content these titles may or may not remain with the providers listed.
